

Greetings in the name of our Lord and Savior Jesus Christ.

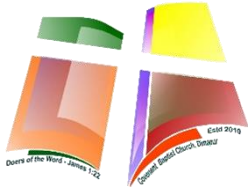

We take this opportunity to share the list of books available at our modest Church library. Though few in number, we have a good collection of powerful Christian books for personal spiritual growth, study Bibles and Bible commentaries for in-depth study of God's Word and also valuable resources for group Bible studies and cell group fellowships. We encourage each one of you to browse through the list and take the opportunity to borrow it and be blessed through each reading.

We would also like to take this opportunity to appeal to anyone who are willing to donate Christian books to our library so as to enable and encourage fellow believers in their walk with God. If anyone is willing to donate books, you may get in touch with the Church Editorial team.

To help you locate the books easily, we have grouped the books into the two shelves divided into four levels each, as shown in the sketch below.

Best wishes,
CBCD Editorial Team
